Welcome to Progressive Dental Solutions. We appreciate the opportunity to provide you with your dental care needs. While our main goal is to ensure your comfort, we would also like to ensure our convenience to you. We are in a day and age where almost everything is done electronically and digitally, from shopping to taking pictures and even communicating with loved ones.

Here at Progressive Dental Solutions, we pride ourselves on being a state-of-the-art dental office and we would like to include the use of email to communicate to our patients. Through email, we can confirm and remind you of your appointments, notify you of any appointment changes, and keep you up to date on the latest news and events in our office and in dental health. We are also on the web at [www.innovativedentistry.net](http://www.innovativedentistry.net). This site offers information about our practice, the procedures we perform, answers to frequently asked questions, and a login feature that allows you to view information about your account and confirm appointments.

We understand the importance of keeping your personal information private and therefore, maintain strictest confidence under HIPPA law; your information will never be given or sold to any third party and will only be used as it pertains to our office.

Thank you for being one of our highly valued patients and we look forward to providing you with outstanding service.
